INTRODUCTION:

[REDACTED] is one of the finest Butlers to ever come out of Britain. [REDACTED] unique ability to mix traditional Butlery with modern Buttery makes him stand out of the crowd. A genuinely appreciated member of staff for the [REDACTED] for many years with exceptional Butlery qualities. The owner of Bespoke Bureau has placed and followed [REDACTED] throughout his career and kept in touch with all ex employers that all speak very highly of him.

We highly recommend an early meeting with this fine gent.

Since 1995 I have also worked in my own time for both private individuals and agencies. This has given me extensive experience of Event and Specialist Catering such as; Society Weddings, Embassy receptions, and Show Business promotions. It has also afforded me the opportunity of extending my experience of Domestic Service, including valeting. Between 1996 and 2002 I shared with my twin brother the responsibility of Valeting for  at their London residence. We also lent additional support with their luncheon and dinner parties when required
